HYBRID SEMINAR

SEMINAR

AI AND GEOPOLITICAL RIVALRY

A MULTILEVEL PERSPECTIVE

25 SEPTEMBER
2026

16:00

AULA I · DiSSUF

Via Zanfarino 62, Sassari

IN PERSON + MICROSOFT TEAMS

SPEAKER

Błażej Sajduk, PhD

Assistant Professor · Jagiellonian University in Kraków

ABSTRACT

The seminar will offer a broad overview of AI rivalry from a multilevel perspective, focusing on the international system, states and regions, and individual actors. I will also briefly discuss cultural biases in AI models and their implications for AI development and governance across different societies.
